Winter 2012

DIRECTOR'S MESSAGE

Welcome to 2012

I hope that you all had a very Merry Christmas and I wish you a happy and prosperous New Year. I am honored to be your new Region One Director. I would like to take this opportunity to thank Nancy Harvey for all of her hard work as our Director for the last four years. I am just beginning to understand what a task she took on. I hope that I can do as good a job.

Our 2011 convention in Vancouver was an eventful one. I would like to congratulate Bob Henry and Mimi Gaffey on being the recipients of the Region One Volunteer awards given out at the convention. We did not have a great many resolutions this year and many of them dealt with what they call "housekeeping" issues. One resolution will mean a very positive change for our Youth. This resolution changed the age for our youth classes to 18 and Under. This will mean that those youth who age up early in the year, and in most cases are still Seniors in high school, will be able to show one more time at Youth Nationals with their peers. This must now go through the USEF convention in January to see if it will go into effect in 2012 or 2013. Either way it will be a bonus for our Youth. We did view a poignant video from the Arabian Horsemen's Distress Fund which prompted countless donations to a very worthy cause. Including one from Region One. In the spirit of being fiscally responsible, it was also agreed to have our AHA convention in Denver from 2014 to 2016 but to still leave the opening for conventions in the future to be in different regions. Your delegates worked hard to represent you and the Arabian horse.

Region One is busy making plans for 2012. I will try to tell you more about this in future newsletters. This newsletter is going to be a shorter one due to time constraints. I want to thank Malissa Tarman for agreeing to take the newsletter on for us again. We plan to have a newsletter out to you via the internet prior to each of our four meetings this year. Our first meeting of the year is on January 14th. Please remember that you do not have to be a delegate to attend.

The meetings are open to all but we just ask that you make reservations. Region One is going to have a great 2012. I hope to see many of you at our shows, rides, and regional meetings.

Mary Ann

Dear Region 1 Delegates & Members;

Mary Ann has graciously given me the opportunity to bid you all a fond farewell. It seems like only yesterday that I began as your Regional Director. It has been a great experience for me, and I have learned so much as Director, I believe we have one of the finest Regions within AHA with some of the best members and delegates. I must say though, it has been 4 years of challenges for our clubs, Region 1, AHA, the Arabian horse and all equestrians. Thanks to the hard work and support of you, our members and delegates, we have made it through some tough economic times and are on firm ground financially.

The work is not done, the future of our way of life is being challenged by the changing times and the many external forces that are competing for the attention and interest of our prospective horse owner and even riders. As equestrians we have to work together with the other breeds and Horsemen and not just for the Arabian and Half Arabian, but for horses as a whole, if we do not work together, we shall surely sink separately. It is important that we remember we are Equestrians FIRST.

Thank you again for the honor of being your Regional Director,

Nancy
